

For information about joining a local Canadian Pony Club Branch you can contact the Central Ontario Regional Chair by email using the email link at the top left corner of the home page or pick a branch close to you on the COR Branch Map at the bottom left of the home page and follow the contact information on their website.

For 2018, our COR membership fee is \$35 plus an \$90 National fee. There is usually an additional branch fee as well set by the local branch. PC members must also be members of the Ontario Equestrian Federation
