Central Ontario Region Quiz 2019

(See COR Quiz Rules)

Entries:

All quiz participants must be registered members with Central Ontario Region for the 2019 season prior to the submission of entries for Quiz 2019. Entries without a valid membership will be declined. Members do NOT have to be tested to compete at Quiz.

Due date for all entries and fees: Saturday, April 13 (there is a Regional meeting this day).

The entry fee will be \$30.00 per participant, which includes a lunch ticket. (Breakfast and snack items will be available for purchase.) **Additional lunch tickets for volunteers, parents or siblings may be purchased for \$10.00 each.** Please ensure you order as many lunches as you require as there will be very few extra meals available for purchase that day.

**Please be advised that Uxbridge Secondary School is a NUT-free zone.
Please refrain from bringing nuts and nut products into the facility.**

Teams:

All teams **must** be composed of three members each, with the exception of the A/B teams, which may have two or three members. A/B-level members may also compete individually if there are not enough members to form a team.

Pony Club members may compete **at or above** their Pony Club tested level only. D and D1 level teams will compete as a team in all phases. D2, C and A/B level teams will compete as a team in the oral and game station phase and individually in the written and visual phase.

Mixed Teams:

Pony Club branches may send a mixed team of various tested levels. The team must be entered at the level of the most senior member.

Pony Club branches unable to have a complete team may combine with another Pony Club branch to submit a mixed team and indicate this on their quiz entry form. The respective District Commissioners must make these arrangements. NOTE: If you're having trouble forming a branch team, please contact the Quiz Chair (Laurie Blake) and her committee – we'll try to put you in touch with other branches with partial teams.

Ribbons:

Ribbons will be awarded to 6th place. The Projects portion will have ribbons to 3rd place

Projects:

Branches may submit a project, choosing one of the topics in **Attachment B** at the end of this package. Branches may submit more than one project.

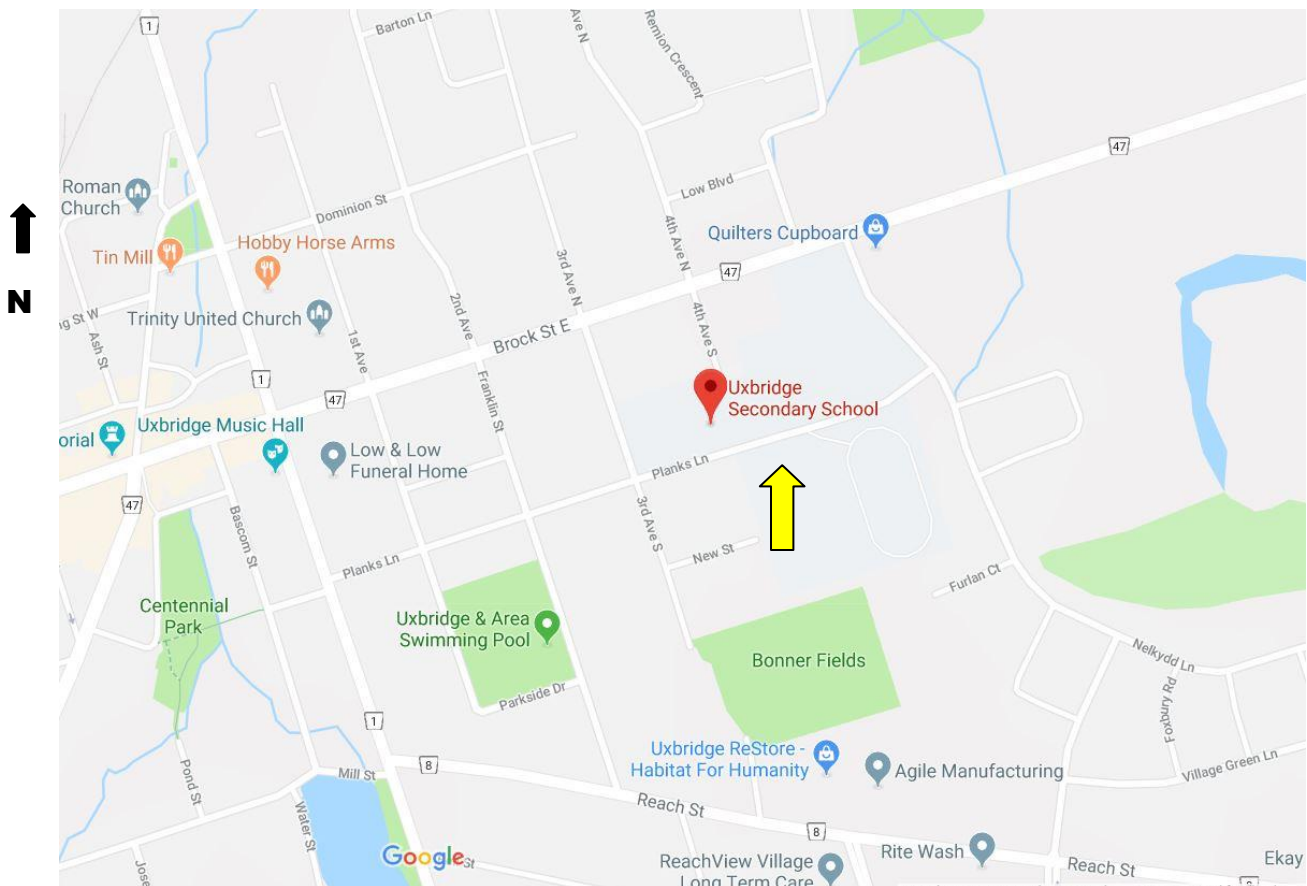

Branches must supply their own tables and any other equipment needed for presenting their projects. The branch must choose one or two competitors/active members (absolutely 3 at the most) to present the project to the judging panel. Ribbons will be awarded to 3rd place.

Volunteers:

We cannot run Quiz without volunteers!

Each Pony Club branch must submit the names of volunteers on the entry form as follows; 2 volunteers for each of the first 2 teams and 1 volunteer for each additional team entered. Entries will not be accepted without these volunteers.

SEE MAP BELOW.

COR QUIZ Entry Form 2019
 (Photocopy additional sheets as required.)

Pony Club Branch: _____

Branch _____

ATTACHMENT B

Quiz Project Topics 2019

Each Project Team may choose one of the topics below to prepare and present their project. Note that more than 1 team may choose the same topic. A branch may prepare more than 1 project.

Project Considerations (download the rubric from COR's website):

- ✓ completed projects should include at a minimum: illustrations, photos, models and/or other media
- ✓ a bibliography of works used should be included
- ✓ attention to detail, including vocabulary, depth of understanding and clarity of communication (written, visual or other) will be a factor in evaluation

1. Horses as Athletes. Horses are exceptional athletes. Do you agree or disagree with this statement. Use this project to support your opinion. Consider:
 - a. Breeding of sport horses
 - b. Training
 - c. Anatomy/physiology
 - d. Evolution
 - e. Other

2. Horses in Art. Horses have long been a source of artistic inspiration – from pre-historic humans drawing pretty accurate horses on cave walls to huge modern sculptures. Explore how these magnificent animals have been portrayed by focusing on art from a specific time period, a single artist, or a brief overview of equine-inspired art over time. Things to keep in mind while researching might include:
 - a. Famous artists known for equine themed art
 - b. Famous pieces of art depicting horses
 - c. Major themes that horses may have portrayed/ symbolized
 - d. Why have horses been such a popular artistic subject
 - e. Other

Feel free to include your own pieces of equine inspired art as part of your project! You could earn your Arts & Craft Badge!

3. Pony Club Across the World – It's the 90th anniversary of The Pony Club (U.K.), the 80th anniversary of the Canadian Pony Club and the 65th anniversary of the U.S. Pony Club. Let's celebrate! For this project, you can choose to discuss Pony Club across the world, OR you can choose to focus on how Pony Club works in one other country. Consider:
 - a. How does Pony Club differ in other countries (or the country of your choice) – from Canada, but also from those in other countries
 - b. Does PC in other countries focus on the same types of disciplines and/or competitions?
 - c. What role does education play in P.C.s in other countries?
 - d. Do they offer Quiz, or something similar?
 - e. Have you made contact with members in other countries – e.g., on social media, email, Skype??
 - f. Do you think the Cdn. Pony Club can learn anything – in terms of organizations, disciplines, education, etc. - from Pony Club in other countries?
 - g. What did you like and/or dislike about P.C. in another country or countries?

4. Horse Breeds – choose a breed, or type (e.g., warmblood, draft, etc.) and tell us all about it. If you don't already have it – this is a great topic to earn your Horse Breeds badge! Consider:
- a. Height range
 - b. typical colours
 - c. any outstanding characteristics
 - d. country of origin
 - e. history of breed
 - f. common uses - riding, driving, ranch work, etc.
 - g. famous horses from the breed

PS: DCs, don't forget about the CPC Badge Program – some of these topics can be used to earn a badge – also the presentation (multimedia).
