Working Rally Spring 2020 – Report 1

Good afternoon everyone, as you are aware Spring 2020 Working Rally has been set for June 5, 6, and 7. Hold the date for this very exciting weekend! At this time the details are limited, but please remember that all chaperones must have their current police checks in with National prior to the event. This is a mandatory request from National that must be adhered to.

We are awaiting confirmation of the related Coaching/insurance requirements from National before investigating potential Coaching staff for the weekend. Once we have those requirements confirmed, we will advise what Coaching and education candidates will be contacted.

Please get your members excited about this fun filled weekend! At this time, we are hoping to keep the costs the same as Fall 2019 but this will be confirmed by the next report.

Please feel free to contact us should you have any additional questions.

Thank you

Kelly and Jacquie
