Dressage and Show Jumping

Addendum to Eligibility for Central Ontario Regional Finals 2020

The Central Ontario Region Pony Club Regional Committee has developed alternate eligibility for members to attend finals for Dressage and Show Jumping in 2020.

Dressage

- Dressage tests may be ridden at a Pony Club Dressage Qualifier, or at any local, regional or provincial show where an Equestrian Canada accredited judge is judging the class(es) entered
- For non-Pony Club competition, members are to submit copies of two dated and signed Dressage tests to the regional Dressage Chair by the registration deadline for Regional Finals (add legibly-printed name of judge, if necessary)
- The level of test ridden at non-Pony Club competitions must be the same or equivalent to the tests offered for Pony Club competition
- Riders must attain the minimum scores already outlined in the COR Dressage Rules
- Virtual tests and Eventing tests will not be accepted
- The Regional Dressage Chair will determine each member's eligibility for attending regional finals

Show Jumping

- Show Jumping results may come from participation in a Pony Club Show Jumping Qualifier, or from any local, regional or provincial Jumper/Hunter show that is open to the public
- For non-Pony Club competition, members are to submit the attached form to the regional Show Jumping Chair by the registration deadline for Regional Finals
- The heights jumped must be the same or equivalent to the heights offered in divisions for Pony Club competition
- Riders must complete a minimum of two rounds without being eliminated, as already outlined in the COR Show Jumping Rules
- Virtual competition, "in-house" schooling shows and Eventing rounds will not be accepted
- The Regional Show Jumping Chair will determine each member's eligibility for attending regional finals

Year-End Points

In 2020, year-end points will not be accumulated or tallied. Champions and other awards will be determined by performance at Regional Finals.
