Central Ontario Region Quiz 2023

(See COR Quiz Rules 2016)

Entries:

All quiz participants must be registered members with Central Ontario Region for the 2023 season prior to the submission of entries for Quiz 2023. Entries without a valid membership will be declined. Members do NOT have to be tested to compete at Quiz.

Due date for all entries and fees: Monday, April 10, 2023.

The entry fee will be \$40.00 per participant, which includes a lunch ticket. (Other snack items MAY be available for purchase.) **Additional lunch tickets for volunteers, parents or siblings may be purchased for \$10.00 each.** Please ensure you order as many lunches as you require as there will be very few extra meals available for purchase that day.

**Please be advised that Port Perry High School is a PEANUT free zone.
Please refrain from bringing nuts and nut products into the facility.**

Teams:

All teams **must** be composed of three members each, with the exception of the A/B teams, which may have two or three members. A/B-level members may also compete individually if there are not enough members to form a team.

Horse Masters may compete at either the C or A/B level, and will be scored separately. Special consideration may be given to totally novice HMs, if requested, and they may be permitted to compete, separately, at the D or D1 level, for their first year.

Pony Club members may compete **at or above** their Pony Club tested level only. Untested members will compete at either the D or D1 level, unless specific requests are made PRIOR to Quiz day. All D and D1 level teams will compete as a team in all phases. D2, C, A/B and Horse Masters level teams will compete as a team in the oral and game station phase and individually in the written and visual phase.

Mixed Teams:

Pony Club branches may send a mixed team of various tested levels. The team must be entered at the level of the most senior member.

Pony Club branches unable to have a complete team may combine with another Pony Club branch to submit a mixed team and indicate this on their quiz entry form. The respective District Commissioners must make these arrangements. NOTE: If you're having trouble forming a branch team, please contact the Quiz Chair (Laurie Blake) and her committee – we'll try to put you in touch with other branches with partial teams.

Ribbons:

Ribbons will be awarded to 6th place. The Projects portion will have ribbons to 3rd place

Projects:

Branches may submit a project, choosing one of the topics in **Attachment B** at the end of this package. Branches may submit more than one project.

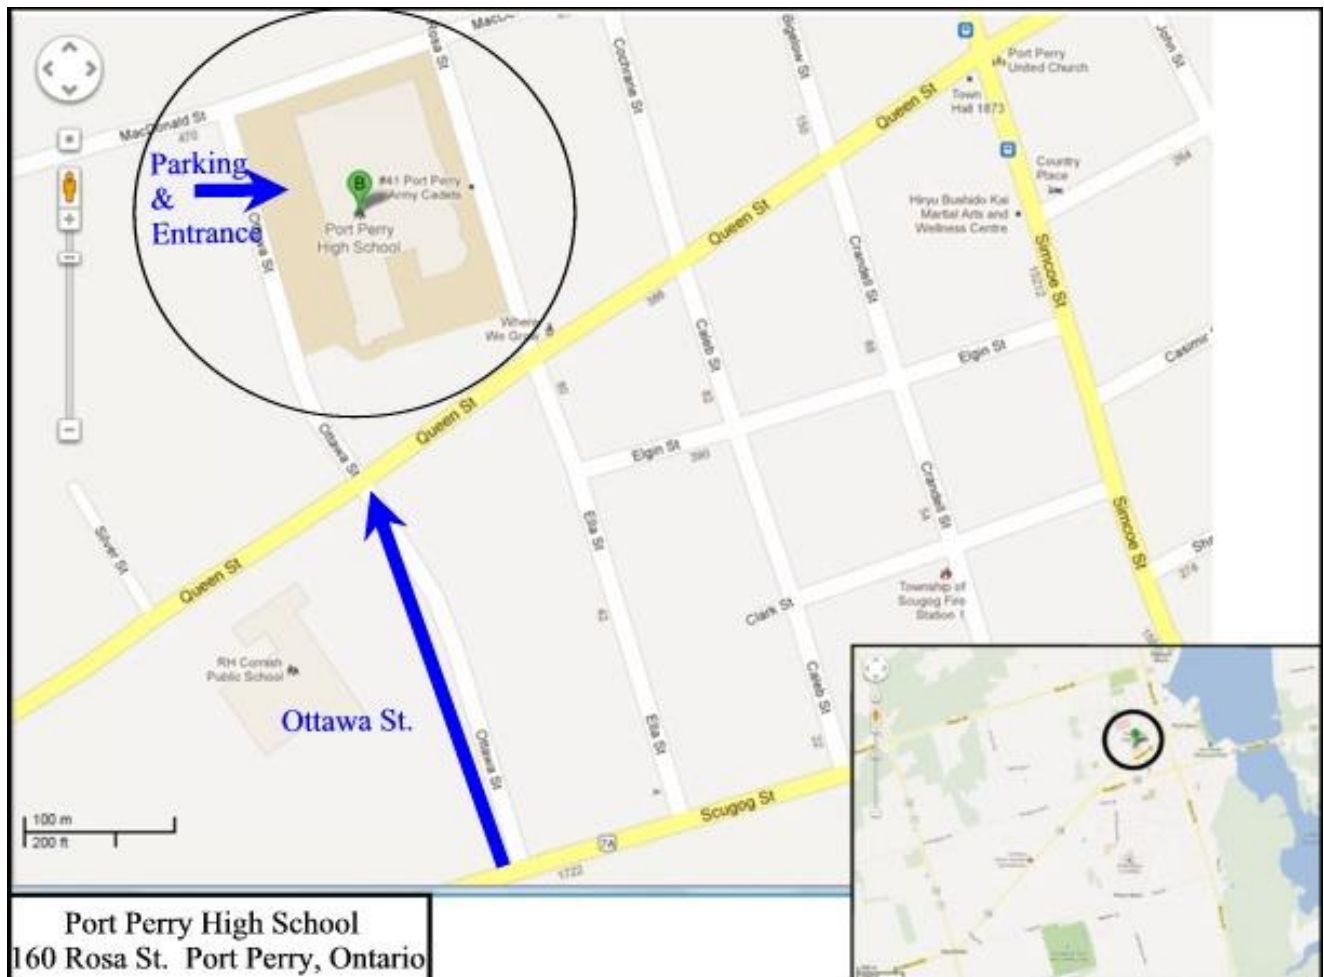

Branches must supply their own tables and any other equipment needed for presenting their projects. The branch must choose **one or two** competitors/active members to present the project to the judging panel. Ribbons will be awarded to 3rd place.

Volunteers:

We cannot run Quiz without volunteers!

Each Pony Club branch must submit the names of volunteers on the entry form as follows; 2 volunteers for each of the first 2 teams and 1 volunteer for each additional team entered. Entries will not be accepted without these volunteers.

SEE MAP BELOW.

Port Perry High School

Authorized Representative Transfer***

The undersigned District Commissioner of the Central Ontario Regional Committee hereby nominates, constitutes and appoints

_____ who is
_____ of this Branch
_____ as a substitute for

the undersigned to attend the Central Ontario Regional Quiz 2023 to be held at Port Perry High School on the 14th day of May 2023, and to act thereat on behalf of and in the name of the undersigned, in respect to all matters that may come before the Central Ontario Regional Quiz 2023 in the same manner as the undersigned could do if personally present thereat.

Dated this _____ day of _____, 2023

Signature _____

Name _____

Position: District Commissioner

Branch _____

ATTACHMENT B

Each Project Team may choose one of the topics below to prepare and present their project. Note that more than 1 team may choose the same topic. Branches may have more than 1 team presenting a project. Project teams must be composed of at least 2 members. Horse Masters must prepare their projects separately, and will be judged against other HM projects.

Download the rubric from COR's website (under "COR BUSINESS" then "DOCUMENTS") to learn what the expectations are for each project. In particular, pay attention to:

- ✓ Creative use of items such as images, handouts, video, hand-created elements, etc.
- ✓ a bibliography of works used should be included
- ✓ attention to detail, including vocabulary, depth of understanding and clarity of communication (written, visual or other) will be a factor in evaluation

SUBMISSION & JUDGING PROCESS

For 2023, all projects will be judged at our in-person Quiz, on Saturday, April 29, 2023. However, if a remote Branch has members who wish to prepare a project, but cannot attend Quiz in person, we would be happy to consider a "virtual" option for those branches! We understand that not everyone has access to unlimited Internet or to more specialized programs for creating presentations, videos, etc. So, we are open to communicating with remote Branches and their teams on how they will send in material and present it.

SUGGESTED PRESENTATION OPTIONS

- ✓ be creative – use posters, models, booklets, real-life objects, etc.
- ✓ Think about using Video, perhaps posted on YouTube
- ✓ PowerPoint Presentation (could have a video embedded)
- ✓ Google "Slides"
- ✓ make sure you bring a laptop or other method to play/show the material

Tips

- ✓ Remember that even when we're doing a video presentation, hand-created items (e.g., forms, models, posters, etc.) can be included.
- ✓ There is a requirement within the rubric for certain items – handouts, bibliography, etc. We always expect them and you will lose an "easy" mark if you don't have them!
- ✓ Larger files can be shared via certain Cloud storage apps – e.g., Dropbox – so contact Laurie Blake for help getting material in for judging, if choosing the virtual option.

VIRTUAL PROJECT SUBMISSION DEADLINE: Monday, April 24 by 9:00 p.m.

NO EXTENSIONS WILL BE GRANTED!

IN-PERSON PROJECTS MUST BE PRESENTED IN THE SCHEDULED TIME SLOT ON SCHEDULE

Judges will be chosen after we know which Branches are submitting projects. Winners will be announced at Quiz (if in person), or by the end of the weekend of Quiz, if virtual.

1. **Nutrition and Feeding**

- Discuss and present various types of feeding methods and styles
- Discuss various illnesses and problems that can occur with improper feeding
- Create a feeding plan for each of the following, including differences for the different seasons:
 - 17 year old 13hh Welsh pony, used for walk/trot rides on weekends. Easy keeper.
 - 9 year old 14.3hh Quarter Horse used in 2-3 hours of beginner and intermediate lessons a day.
 - 6 year old 16hh Thoroughbred cross, basic all-round Pony Club horse. Does 3' + jumpers, first level dressage, ABC Rally and testing up to B2. Hard keeper.

2. **Lameness and Conformation** – Examine how different conformation faults can predispose horses to various lamenesses.

- Knowing this, examine how would you use your horse based on its conformation, or how would you determine what conformation points you would need to check to choose a horse to handle your preferred discipline.
- Include lots of diagrams and visuals!

3. **Barn Design**

Design a barn for horses. You can be creative and realistic. The barn can be a specialty barn such as jumper, dressage, boarding, private, riding school or a combination.... Your choice... Include the following elements:

- correct measurements
- safety features
- a place to ride
- paddocks

(Other features can be included also)

4. **Pan-Am/Parapan-Am Games** (2023 is a Pan-Am year), ideas to consider:

- You can include both, or just one or the other
- Canada's history at the Games, in equestrian events, or in just one of the equestrian disciplines (Dressage, Show Jumping, etc.)
- How do these Games differ from WEG, Olympics, etc. – or do they?
- Names of some past participants and defending champs
- Points of interest regarding Past and current/future venues

5. **Horse Holiday** – Some may wish to “get away from it all” – including their horse passion, but many others want to explore that passion even move when they go on holidays. Choose either to profile an existing type of holiday, or develop your own dream horse holiday! Consider:

- Pros & cons of such types of holidays
- Types of riding, horses, equipment, etc.
- What to look for in safety features
- Length – day trips/rides or staying “on the farm/ranch”
